# Do you need physiotherapy advice and support?

Did you know that if you're aged 16 or over and registered with a Cambridgeshire or Peterborough GP, you can self-refer for physiotherapy?

We've changed the way you can refer to us. For more information and to complete a self referral form, simply visit our website **[bit.ly/physioSR](https://bit.ly/physioSR)**.

If you don't have internet access, please telephone our main appointment line **0300 555 0123** and one of our administrators will help you obtain a form.

Have you tried the advice and exercises on our website?

*Please note that with effect from 9th November 2020, the Physio Advice Line number is no longer available as the route into our service has changed as outlined above.*
